**STIPULATION REGARDING CERTAINTEED'S ANSWER TO
PLAINTIFFS' AMENDED COMPLAINT**

The parties to this action hereby stipulate and agree that the period for CertainTeed LLC to file an answer to Plaintiffs' Amended Complaint is tolled in light of the settlement agreement in principle that has been reached between the parties. The Amended Complaint was filed by agreement of the parties solely to add an additional named plaintiff Susan Stone who has assisted Plaintiffs' counsel in the investigation and prosecution of this action on behalf of the class members and did not change Plaintiffs' substantive allegations. The parties are now preparing final settlement documents and will file a motion for preliminary approval of settlement, and supporting documents, with the Court as soon as possible. Given the status of this litigation, the parties agree that this stipulation serves the interests of judicial economy and the efficient use of the parties' resources. Should the parties fail to

reach agreement on final settlement documentation the parties will notify the Court and request a conference to set a further schedule for this matter.
